

INITIAL/ANNUAL SECURITY STATEMENT		DATE
<p>The provisions of Title 18, US Code "Crimes and Criminal Procedures" (Sec 793 and Sec 794), and the Internal Security Act of 1950 prescribe heavy penalties for disclosure to unauthorized personnel of information involving national defense, and for loss or compromise of such information through neglect. Security violations by military personnel also constitute violations of Army Regulations and are offenses triable by Courts-Martial. Security violations by civilian personnel are punishable under provisions of Department of the Army Civilian Personnel Regulations.</p> <p>I certify that I have read or have been briefed in the security procedures as outlined in AR 380-5 and am aware of my security responsibilities contained therein. I am also aware of my reporting responsibilities and necessary security measures to be taken as outlined in AR 381-12 pertaining to Subversion and Espionage Directed Against the United States Army (SAEDA).</p>
